ALFACUP

BEVERAGE PAPER CUPS

PRODUCTION

Whether drinking a latte on the go or snacking at your desk, today's consumer expects the packaging to reflect the quality of the product inside.

With this in mind, Alfacup provides a comprehensive range of top quality foodservice packaging products, designed to meet the needs of small local businesses through to major international customers.

Our Foodservice operations are focused on the following:

- Catering & Distribution
- Quick Service Restaurants & Beverages
- Vending and Water

The key customer groups include fast food, beverage, contract catering, coffee and casual dining restaurant chains as well as specialised distributors serving these industries.

ABOUT ALFACUP COMPANY

Alfacup started its production life in 2020 by considering the sectoral needs. In a short time, it found a place in the sector with its strategic production location, effective transportation and production quality. Adhering to the business principle of mutual benefits, we have had a reliable reputation among our customers because of our professional services, high quality products and competitive prices. If you have any new ideas or concepts for the products, please contact us. We are glad to work together with you and finally bring you the satisfactory solutions. Customers at home and abroad are warmly welcomed to cooperate with us for common success.

Delivery Cost

Europa

Package Service	Country	One package delivery cost	Remarks
Ground Delivery	Austria	24 \$	<ul style="list-style-type: none"> "One package" is usually includes 2000-3000 cups depending on their type. For details, please check the "Products Specifications" page. Prices apply only for European continental part of countries, so do not expect us to deliver, for example, to Greenland, French Guiana or Canary Islands or any other islands using these. You can place your order according to the most convenient delivery method for you. Incoterm 2020 rules apply. For quantities of goods of about a one, two euro pallets or more, sometimes it might be cheaper or safer to deliver goods on euro pallets, especially to some main cities. It is not a general rule as for some products or destinations, the package service will always be cheaper, especially in case of any remote areas. If you want us to calculate euro pallets shipment cost, please provide us with: quantity of goods ordered, destination country, postal code and city so that we can return to you with a quotation the next day.
